THE SURE WITNESS.

[FROM THE POEMS BY ALICE CART] The rolemn wood had spread Shadows around my bend: "Curtains they are," I said, "Hung dim and will about the house of prayer, Selity among the limbs, and a ked if the was there.
Turning the leaves of hymns,
I beard the winds, and asked if the was there.
No voice repited, but white's histening stood,
Sweet peace made hely husbes through the wo

I saw the wild rose stand Beside the green gate of the Summer hills,
And pulling at her dress,
I cried, "sweet harmitees,
Hast thou beheld Him whom the dew dutilis?" No voice replied, but, while I listening bent, Her gracious beauty made my heart content.

The moon in splender shone,
"She warketh livation alone,
"And rect all things," to myself I museds
"Hast then beheld Him, then,
Who hides himself from men In that great power through Nature interfused No speech made answer, and no sign appeared. But in the silence I was southed and cheered:

Waking one time, strange awe
Thrilling my soul, I saw
4 kingly spiceofor round about the nights
Such counting work the hand
Of spinner never planted—
The finest wool miss not be wathed so white, "Hast then come out of Heaven?" I asked, a The snow was all the answer of the snow.

Then my beart said, "Give o'er; Question no more, no more! The wind, the spow storm, the wild hermit flowe

The Oluminated air.
The pleasers after prager,
Proclaim the unoriginated Power;
the urpatery that butes Him here and there
Dears the sure, witness He is everywhere."

Swiss Funeral Customs. Correspondence of the N. Y. Observer

ess, a great difference in the customs of the various Cantons of Switzerland, for though the whole twenty-one of them would not make a State larger to life. But they do not come. Stories than New Jersey, they have a continue or dress peculiar to each, and many of their habits are equally singular. I horror as they roll, but it is not probable that one in a million is ever resight of Lake Constance, and by it stored to life through the sid of this separated from Germany. The lan- life-saving arrangement. Indeed, 1 French of Italian, and their customs ratus, if he had ever known or heard

and when they die, they must be bu-ried out of sight. Indeed, they die often here. It is usual to have the funerals, if possible, on the Sabbath:

EQUIVOCAL FARMERS. trip immediately after the County

to "equivocal farmers," a class who cannot too seriously consider the facts

therein presented : Farmers are too frequently demoraown material, will enable them to realize mo .ey in hand, to a larger amount, than they can derive from their farming; that they will not be compelled to wait for the slow approach of the harvest, nor be affected by the freaks of weather and insects, that now and then bring their labor to naught. Influenced by such considerations, we see multitudes of farmers annually leave their plows, and withdraw their care and industry from their farms .-Year after year, these present nearly the same appearance, except that gradual decline and dilapidation of buildings and fences, and that luxuriant growth of noxious weeds, which mark the neglect of the half-hearted farnier. who lacking faith in his proper calling, seeks his bread, and strives to in-

These equivoral farmers are like all other equivocal characters, in respect to thrift. Whoever will take the trouble to inquire after this class of perup to his work. How dreadful to see United States courts on direct ques- sons, will find that they have not materially improved their condition during the whole period through which they have given their divided attention to lumbering and farming. Repeated failures to make their plans successful, in many instances have soured them; and the increase of their selfphysically; while the persevering and undiverted farmer is a picture of health and cheerfulness, his neighbor, who had an equally fair beginning in life, but who has thus halted, vacillated and run after strange gods, is prematurely old-ready almost to abandon himself

to discouragement and poverty.

This demoralization has sapped the foundation of private comfort and prosperity in many a household; and it has been almost a public calamity.
both byfusitbry of former of 1860
time of their settlement here, to clearing and cultivating their farms, erecting buildings, ornamenting their residences, opening highways, organizing primary schools, they would have evinced their catnestness, contentment and public spirit, and they would have wrought a most happy change in the general appearance of our county .-

are separated by the grave, as well as by death, and no two of them, unless they die together, may be laid together, may be laid together. This is surprising when we notice the remarkable attention they bestow on the Garden of the Dead. For when the dead are buried, the friends come, day after day, and adorn the grave with flowers, and surprising to the grave with flowers, and surprising to the friends come, day after day, and adorn the grave with flowers, and surprising to the grave with flowers, and surprising to the friends come, day after day, and adorn the grave with flowers, and surprising to the friends come, day after day, and adorn the grave with flowers, and surprising to the flowers, and the habit of persevering effortaction for the detested odor from the fur, and the elected odor from the fur, and the caterers to fashion, by giving it is new name, send it forth to warm and comfort the devotees of the good of fishion. One dealer during the spring sold 25,000 of these furs at fifty cents each. And other dealers introduced the largest flowers are surprised to the first of the proving the detested odor from the fur, and the caterers to fashion, by giving it is new name, send it forth to warm and comfort the devotees of the good of fishion. One dealer during the spring sold 25,000 of these furs at fifty cents each, and other dealers introduced the largest flowers. It is a period to the remarkable and in practical, and the habit of persevering effortaction to fash to the training of the mechanic by the warm and comfort the devotees of the good of fishion. One dealer during the spring sold 25,000 of these furs are fifty cents each, and other dealers fifty cents each, and other dealers fifty cents each. An except the proving the detested odor from the fur, and the habit of persevering effortaction. The first Democratic vers at its observed to remark the first of the persever of opinion that the first of the persever of opinion the fur. An except the persever of opinion the fur. An except the persever of the
